Scott and Company LLC Named Among Best Places to Work in South Carolina

Columbia and Greenville, SC – Scott and Company LLC, one of South Carolina’s leading accounting and consulting firms, is pleased to announce that the firm has been named as one of the “Best Places to Work in South Carolina” for the fifth consecutive year, according to a list compiled by SC Biz News.

“This award is a reflection of the firm’s commitment to its employees,” said Don Mobley, CPA, Managing Member of Scott and Company. “We encourage our staff to develop work-life balance and pursue their goals. We cultivate a relaxed, yet professional environment at our firm. These fundamentals help us to attract and retain top talent, as well as foster the long-term development of our employees. Rewarding their dedication to the firm is also essential. When they succeed, we succeed.”

The list of 60 companies was created by SC Biz News in connection with the South Carolina Chamber of Commerce and Best Companies Group. Firms from across the state entered a two-part survey process as part of the evaluation. Now in its eleventh year, the program was designed to identify and honor the best workplaces in South Carolina according to company policies, practices, philosophy, and demographics, as well as a measure of employees’ experiences. Colonial Life will present the company rankings at a reception in August 2016, which will also be published in that month’s issue of *SCBIZ* magazine.
